In Year Common Preference Form (ICPF)

Guidance notes

Please read this information carefully and complete the form as fully as possible. If the form is not completed correctly it may be returned to you.

How is your application dealt with? The length of time it takes to process your application varies in each individual case. Please be patient while we deal with your application. Applications are made directly to all schools in Leeds - **completed forms should be taken to the school(s) to request a place.** The school then informs you and the Local Authority whether your child has been offered a place. If a place is not available at a school you request, you have the right to appeal against this decision if you feel that your application has not been appropriately considered. The local authority will also provide you, upon request, with a list of all schools in your local area.

Parental responsibility: Parents and carers are legally responsible for ensuring their child(ren) accesses education. In all cases where your child is on roll at a school they should continue to attend until an alternative place has been agreed.

Changing schools may not be the solution: Transferring schools can be very disruptive to a pupil. Although the National Curriculum is taught in all schools, they teach each part of the curriculum at different times of the year. Your child may miss important work. Before you request to transfer schools, you must talk through any problems with the current school. If you are not happy with the way the school is dealing with the problem you should speak to the Headteacher or the Chair of Governors at the school.

House move: If you move house you must provide evidence of your new address. If you are unable to provide such documents, we will consider your application from the address we have on file which may affect your chances of being offered a place at your preferred school.

Further information: Full details of schools in the Local Authority and their admission arrangements can be found on the Leeds City Council website (www.leeds.gov.uk)
