Dear Parents/ Guardians

The Department of Education has asked all schools to provide further information for a census. The new information includes country of birth and nationality for all pupils. This information can be found on your child's birth certificate or passport.

Could all parents / guardians please complete the reply slip below to provide the extra information required. We are very proud of the diverse community to be found in our school and the fact that in excess of 22 different languages are spoken here. All slips must be returned by Monday 19th September.

Thank you.

Yours faithfully

Mrs P Gavin OBE
